Press Release

Introducing Focus on Soyabean:
PMN's Newest Online Resource and Webcast Site

ST. PAUL, Minn. (January 8, 2008)--The Plant Management Network (PMN) announces the launch of its next-generation resource for those involved in soybean production and management. Focus on Soybean is an online-only web portal for growers, crop consultants, and researchers seeking information on producing healthy, high-yielding soybean crops.

For more information read here.

Online Offerings

Tip of the day: Develop an email distribution list using Microsoft Outlook and an email list in Excel. Find the step-by-step directions here.

Check out the SPDN image collection at http://ipmimages.org/spdn If you would like to add to the collection (or just fund a way to organize your own collection and make it available online), you can do that here!

Current list of NPDN Special Topic Modules available on the First Detector Information Page:
Training Opportunities/Meetings

**First FD Training in Utah** WPDN member and First Detector Trainer, Dick Hoenisch, trained 30 First Detectors in Kaysville, Utah, on October 17, 2007. The participants consisted of Utah State Cooperative Extension and Utah State Department of Agriculture and Food Staff. It was hailing and snowing, with bouts of thunder and lightening, and hovering around 35F. This was the first official FD training in Utah. Kent Evans (Utah State Pathologist and NPDN member) and Dick hope to develop a FDE program on his next visit.

**First Detector and First Detector Educator Brochures Available!** First Detector and How to Conduct a First Detector Training Session Brochures are now available. Contact your Regional Training and Education Coordinator for copies or download from the First Detector Information page [http://www.npdn.org/DesktopDefault.aspx?tabindex=3&tabid=48](http://www.npdn.org/DesktopDefault.aspx?tabindex=3&tabid=48).

**Poster Submission Available Now for the 2007 National Soybean Rust Symposium** Now on its third consecutive year, the National Soybean Rust Symposium will be held **December 12-14, 2007, in Louisville, Kentucky**. Mark your calendars and plan to attend this premier event! More details available at [http://www.apsnet.org/online/SBR/](http://www.apsnet.org/online/SBR/).
